

THE STATE OF NEVADA
CERTIFICATE OF APPROPRIATION OF WATER

WHEREAS, George L. Whitney has presented to the State Engineer of the State of Nevada Proof of Application of Water to Beneficial Use, from a group of nine springs known as the Whitney Springs located within the boundaries of the Whitney Ranch, through numerous ditches for irrigation and domestic purposes, the point of diversion of water from the source being as follows: at each of the nine springs by means of small ditches, situated in Clark County, State of Nevada.

NOW KNOW YE, That the State Engineer, under the provisions of Section 72, Chapter 140, Statutes of 1913, as amended by Chapter 253, Statutes of 1915, has determined the date, source, purpose, and amount of such appropriation, together with the place to which such water is appurtenant, as follows:

Name of appropriator George L. Whitney

Postoffice address St. Thomas, Clark County, Nevada.

Amount of appropriation 1.019 (1 19/1000) cubic foot per second.

Period of use, from January 1st to December 31st of each year

Date of priority of appropriation September 7th, 1910.

Description of irrigated land to which water is appurtenant is as follows:

30.5 acres of garden and grain

71.4 acres of pasture.

101.9 Total acres.

That certain tract of land known as the Whitney Ranch located on unsurveyed land probably within the fractional Township 16 south, Range 71 E., M.D.B. & M. The east boundary of the said tract is common to the Nevada-Arizona State line and lays along said State line a distance of 2,220 feet and extends west a width of 2000 feet and contains 101.9 acres. South east corner of the tract is near the State Line Mile Post No. 334.

The right to water hereby determined is limited to the amount which can be beneficially used, not to exceed the amount above specified, and the use is restricted to the place where acquired and to the purpose for which acquired.

IN TESTIMONY WHEREOF, I, Seymour Case, State Engineer

of Nevada, have hereunto set my hand and the seal of my office, this 16th day of December, A.D. 1918

Seymour Case
State Engineer
